REASON P. TUCKER-

The Man and His Legacy

This "quiet pioneer" rescued 19 Donner Party survivors, fathered 10 children with 4 wives, and planted some of Napa Valley's oldest grapevines-- only to lose it all and start over.

See how his legacy still thrives.

Through photographs and family artifacts including his rifle, a rustic sugar box, and an iron bell which once sat atop the Tucker School, visitors will get a vivid sense of life in Calistoga from pre-Civil War to the turn of the century.

EXHIBIT RUNS THROUGH MARCH, 2024
