

Summer Library Reading Program is Happening Online this Year

We are pleased to announce that our popular Summer Library Reading Program will happen this year. However, in light of COVID-19, the way to join the fun is to sign up and participate online at: www.napalibrary.org/sla

Registration for the 2020 Summer Library Adventure begins Tuesday, May 26th and runs through August 31st. There is no charge to participate in the Summer Library Adventure, events or to check out library materials. Paper reading logs will be available at a number of food distribution sites in Napa County and can be mailed upon request. When libraries reopen, community members may pick a log up at their nearest Napa County Library location.

Children's programs will be videotaped and will be available online for students to enjoy. Each presentation will only be available for a limited number of days so it is important to log on to the above website to see the available dates.
